Up for auction is the famous Siegfried & Roy's Very Own Personal

**Nintendo GAMECUBE**  
**Or better known as - THE**  
**GAYCUBE**

Here you have it folks, what was only thought to be as magical as Siegfried and Roy themselves, their very own personal Nintendo GameCube or more famously known as the Nintendo GayCube. Some of you might be wondering, well what in the world makes this beauty so much more great than any other 'ol Nintendo GameCube out there. Well folks, I'm happy to say this is one of the most flamboyant video game consoles of all time. I won this little guy almost about a year ago at one of their shows, at first I just thought it was an ordinary GameCube, but boy was I wrong, this sure is one pimped out GameCube - but this time in a homosexual kind of way.

This little machine has more tricked out features than P. Diddy's Escalade, and you'll never, **ever** see one quite like it again. Here are some of the unique features the GayCube has over its

more common counterpart:

- Sports a very stylish indigo color with a pink LED glow instead of the same old boring orange.
- Will help critique how you look and your style before you get your game on.
- Has a built in speaker that will yell phrases such as, "Oh no you didn't!" all the way to "Oh that's just super."
- On the top lid, instead of saying "Nintendo GameCube" it sports a flashy "Nintendo GayCube".
- The system also comes preloaded with the game "Siegfried & Roy's Rainbow Adventure", and I must say it is one of my personal faves.

To be quite honest with you, it has really begun to wear off on me, during the TV football games a lot of my friends have given me some awkward stares as I seem to become more and more interested in the cheerleaders make up and skirts then I do about their boobs. So I have decided to head the way of the Xbox to regain my manly self that I once was, as Pokemon Channel isn't really holding up to my friends interest.

I know this is one rare collector's item, so my loss is your gain folks, get it while you can!!

If you have any other questions please email and maybe we can chat about hair or something, or not, either way have a *super* day and thanks for looking at my auction!
