### Description

#### Item Specifics - Video Game Systems

Platform: **Nintendo NES**Format: **PAL**Bundled Items: **Accessories**Condition: **New**

i asked the guy at gamestop if they buy intendo systems. he told me that they don't buy them anymore, but asked if it was a top load kind. i said 'hell, i don't know' and he said i should put it on ebay if it is. i went home and looked at it. and i'll be damned if it isn't a top load kind. im pretty lucky i guess. so here i am sellin thisn.

i put its new but it ain't really. just looks like brand new. and has everything you need to play. it even comes with the game "SON the DGEHOG"

it works real good. i been playing all morning. shipping to the lower 48 is \$41.00.
