Description

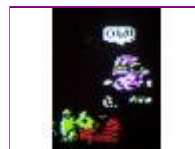

This some game for the NES. It's called California Raisins or something. I really hated those things so I could care less about it.

I got it at a local flea market when i bought a big box of games. I was kind of excited and then when I got home I put it in and was shocked buy how bad it is. If you actually care about this peice of trash (cause i don't) please bid.

I'm almost to the point of paying to get rid of it, as it is a blemish in my beautiful collection of QUALITY video game titles.

Shipping is 3 dollars us priority mail.
