Description

You are bidding on the extremely rare one of a kind item. This cart is easy to use and master. You simply pop it in to your Atari 2600 or Sears Video Arcade, turn on the power and your done. What have you done? You have succeeded in frying you system. Why would you want to do this? Simple to lower the number of working VCS that exists making my work one worth more money. This game has little repeat play value so I ask you to share this cart with all your friends and family, bringing VCS FRYING joy to everyone. TERMS: 1) Seller reserves the right to cancel any bid. 2) In the event your bid will be canceled you will be notified that it has been canceled. 3) This cart Will Destroy your 2600, sears arcade This is its point Seller will take no action to replace you 2600, or sears arcade, nor will any money be given to buyer to replace the FRYED unit.
