Description

This auction for one of the little black tabs inside of the Dragon Warrior 4 box. It says NES-D4 USA on it. The winner of this auction will have me rip it out of my Dragon Warrior 4 box and it will be sent to you (The other tab would be included in this auction, but it has already fallen off).

Terms:

Shipping will be 250.00 (or more!) to pay for any psychological treatment I made need if someone actually wins this and I further ruin the value of my complete DW4. Remember though, I cannot accept ANY form of payment. Except for food. I like food. A lot. Feed me!

Also, if bidding goes over 150.00 I'll include half of a Dracula X PC Engine CD, which I'll slice right down the middle and send you the half you want. Remember, it is just the loose half of an original Dracula X CD.
