Description

You are bidding on the opportunity to become part of this ground breaking Virtual Reality project. I have only one question to ask, if you answer yes, you are the perfect candidate for this program. Have you ever been playing a video game, and for any reason what so ever, had the desire to pleasure yourself? Now since I know there will be lots of people that answer yes to this question, I have decided to be fair to as many bidders as possible by making this a Dutch auction. Can you believe it !!!! I will selflessly give 10 people the chance to participate in this intial stage of the program, and the chance to become famous forever in the video game industry. " But I only like to play video games and crave sexual attention, how can I possibly make a serious contribution ? " you ask yourself. Here is how it works. YOUR commitment to ME. By bidding on this auction, you will agree to, and become responsible for the following: A) Sending me an amateur video tape of your wife or girlfriend which is sexually stimulating, some nudity required. I would also like it if she says " Is that a rapid fire JOYSTICK, or are you just happy to see me! "She must be between the ages of 21 and 40. Now ladies I know that you are probably thinking that I am discriminating against you. This is not so, you may bid also, by agreeing to send the same type of video of YOURSELF! (Please note that all tapes submitted become my personal property, and cannot be returned under any circumstances.) B) You will add an additional \$100 to the lowest winning bid (do not add this in your bid amount) to fulfill the initial monetary requirements that such a project will be subject to, i.e. lubricants, cleaning supplies and new hardware as needed due to failure under rigorous testing conditions. (The Power gloves are prone to failure after being rapidly jerked about, and also the sponge inside gets very stinky when sweaty.) C) The realization that I will not be sending you the equipment pictured here. It is only shown so you can have an idea of the magnitude of work needed to complete this project. D) In order to protect myself from people who are not serious about this idea, the following will be done. In order for me to not cancel your bid, you will pay me an additional \$250 via paypal. Then At auctions end, I will send you an email, to which you will reply and include your mailing address to me. I will then send my address as a Cash On Delivery transaction. At which time the cost to you will be \$1500 payable by Money order only, with your video tape included. Here is how it works. MY commitment to YOU A) I have no commitment to you, only to make sure you complete your side of the deal. How the project works. After carefully screening all videos I will try to transfer them so they are viewable\playable in the Virtual Boy headset, so I can interact with them via the Power Glove. I will call this creation " THE VIRTUAL JOY " Ahhhhh who am I kidding, I will probably only watch the videos you paid me to receive, and enjoy them the best way I know how. This will never have a chance of going anywhere. This project is in no way associated with, or endorsed by Nintendo. Do not bid if you do not like these conditions. Thank you for your videos and fun money! I will enjoy both and send the

winners a picture of the car I buy with the fees obtained above. (Since I have already stated there is no chance of this going anywhere)
