2) This is a high precision game pak. Avoid subjecting it to extreme temperatures or shock. Store at room temperature. Never attempt to dismantle or open the game pak.

4) Never insert your fingers or any metal objects into the terminal portion of the computer. This can result in malfunction or damage.
THE STORY

To save the country of Eden from the Great Devil’s destruction the King of Eden dispatched Princess LALA to seek help. Prince LOLO was requested to accompany LALA back to Eden. On the way back The Great Devil kidnapped LALA right in front of LOLO.

To save Eden and rescue LALA, Prince LOLO went to the Devil’s Haunted Castle. LOLO is not blessed with strength or agility but possesses great courage, high IQ and a lot of patience. Can LOLO save LALA after solving an almost endless series of mazes?

HOW TO USE THE CONTROLLER

Used to move LOLO around.

Used to give up the game.

When you come to a deadlock or notice wrong actions halfway, press SELECT. The game is given up, but you can challenge it again.
HOW TO PLAY THE GAME

1. Game Start.
Press the START button when the Title screen appears. The words START and PASSWORD will be shown.
If you are playing the game for the first time, press the START button one more time and the game will begin. From the second game onward, move LOLO to PASSWORD with the control pad and press the START button. The screen is replaced with a password entering screen. Choose the letters with the control pad and enter them with the 'A' button. When this is done, you may continue the game from the room you last completed.

2. Taking Heart Framers.
Take the HEART FRAMERS by moving LOLO. Many monsters will block LOLO’s way. Confine them using the EMERALD FRAMERS, MAGIC SHOTS and POWER OPTIONS.

3. Clearing of A Room.
When LOLO takes all the HEART FRAMERS on the screen, a chest will open containing a Jewel. Removing the Jewel clears the room. The Castle has TREES, ROCKS, FLOWER BEDS, RIVERS, and DESERTS.
ITEMS

1. HEART FRAMERS
Heart-marked blocks represent HEART FRAMERS. When all HEART FRAMERS in the room are taken, the Chest opens showing a Jewel. The HEART FRAMERS protect LOLO from Monsters' attacks (MEDUSA's menacing gaze or flame-throwing GOL). It can not be moved.

2. SPECIAL HEART FRAMERS
SPECIAL HEART FRAMERS are identical to regular HEART FRAMERS in appearance, but have a hidden infinite power. By taking one, you can gain two MAGIC SHOTS.

3. EMERALD FRAMERS
The green EMERALD FRAMERS can be moved by pushing them. Like HEART FRAMERS, EMERALD FRAMERS can protect LOLO from Monsters' attacks and can confine them.

4. ONE-WAY PASSES
LOLO cannot pass over the ARROW mark in reverse direction, but can enter through its side. LOLO can pass over the ARROW pushing an EMERALD FRAMER or an EGG. The direction of the ARROW can be changed using POWER. Monsters move in any direction regardless of the ONE-WAY PASS.

ENVIRONMENT

1. FLOWER BEDS
LOLO can seek safety from the Monsters in the FLOWER BEDS, but they will wait and pounce on LOLO when he leaves the FLOWER BEDS.

2. DESERTS
LOLO can enter DESERTS freely, but his walking speed will be cut in half.

3. LAVA
EGGS can not be floated over LAVA. LOLO can pass over it using POWER of a BRIDGE. He must hurry, or the BRIDGE may burn down from the heat.

4. BRIDGES
LOLO and the Monsters may cross BRIDGES at any time.

5. TREES
LOLO or active Monsters cannot pass through the trees. Neither can a MAGIC SHOT, but some Monsters' attacks can go through the trees.

6. ROCKS
Neither MAGIC SHOTS, Monsters' attacks, LOLO nor active Monsters can pass through a rock, but you can destroy the rock by using the power of the Hammer.

7. RIVERS
LOLO is able to keep EGGS afloat and ride them on the water. If the current is flowing, then LOLO will be able to cross the river. However, if the current is not flowing, he will sink on the spot.
MAGIC SHOTS

MAGIC SHOTS become available when certain HEART FRAMERS are taken. A Monster hit with a MAGIC SHOT turns into an EGG. The EGG can be pushed around, but it will revert back to a Monster after some time. When shot with a second MAGIC SHOT, an EGG flies out of the screen and will not return for a while. After some time, it will reappear in the form of the Monster at its original position. The EGG may be floated to enable LOLO to cross rivers. Current flows only in specific directions. If there is no current flow, the EGG will sink and LOLO will be lost if he is on board.

POWER

When one of the marks shown below appears on the display, the indicated power may be used, but only after a HEART FRAMER has been taken. MAGIC SHOTS are not available when POWER is used.

BRIDGES

A Bridge can be spanned by facing LOLO toward narrow rivers and pressing Button A.

ONE-WAY PASSES

The direction of a One-Way Pass can be changed by pressing Button A with LOLO facing the arrow.

HAMMERS

A hammering rock can be destroyed by using a Hammer. Press Button A with LOLO facing the rock.
