SAFETY PRECAUTIONS

Follow these suggestions to keep your Gargoyles' Quest II Game Pak in perfect operating condition.

1. DO NOT subject your Game Pak to extreme temperatures, either hot or cold. Always store it at room temperature.
2. DO NOT touch the terminal connectors on your Game Pak. Keep it clean and dust-free by always storing it in its protective plastic sleeve.
3. DO NOT try to disassemble your Game Pak.
4. DO NOT let your Game Pak come in contact with thinners, solvents, benzene, alcohol, or any other strong cleaning agents that can damage it.

ADVISORY

A very small portion of the population may experience epileptic seizures when viewing certain kinds of flashing lights or patterns that are commonly present in our daily environment. These persons may experience seizures while watching some kinds of television pictures or playing certain video games. Players who have not had any previous seizures may nonetheless have an undetected epileptic condition. We suggest that you consult your physician if you have an epileptic condition or if you experience any of the following symptoms while playing video games: altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion and convulsions.
A long time ago, between the age of the dinosaurs and the dawn of mankind, there existed the magical world of Etruria. A local monster named Firebrand from the Ghoul Realm was busy training in the arts of the warrior. He is a young and powerful gargoyle - human in shape, yet he has leathery wings with massive claws on his hands and feet.

He studies at the Warrior’s Training Center to use his combat talents in defense of the Ghoul Realm. His time comes (sooner than he expected), as a mysterious black light appeared one day and drained the magic from the land.
