## GUN.SMOKE STORY

**GUN.SMOKE™** by CAPCOM® . . . returns the player and game star Billie Bob back to life in a small, bustlin' mining town during the infamous gold rush era.

**GUN.SMOKE** gives the game's one player the opportunity to combine personal skills with the fearlessness of Billie Bob. The brave combo sets forth to rid the flourishing township of ruthless gold-stealing bandits.

Every time the player and Billie Bob make a direct hit—especially a barrel—there's a release of hidden firepower. Billie Bob gains access to quick-acting ammunition, usually just in time.

Big hits means big saves. The **GUN.SMOKE** game player at the joystick controls determines the destiny of Billie Bob — and the fate of the gold mining town and its people.
