The Story

Hi. My name is Michael Jones, but my friends call me Mike. I'm fifteen years old and I live in Seattle Washington.

Have you heard of my Uncle Steve? Well, most people don't call him that, they call him Dr. Jones. He is a very famous archeologist who is looking for some lost ruins in the Coral Sea. I've never actually met him, but last week I received a letter from him inviting me to stay with him at his laboratory on C-Island.

I leave tomorrow on a helicopter! I bet I won't be able to sleep at all tonight. Well, goodnight.
Today I landed on C-Island after a long helicopter ride. The people are very friendly, and they all seem to know my uncle.

At Coralcola
I sure like this village, but I haven’t been able to find my uncle anywhere and no one here seems to know where he is either.
Hi Mike!
I'm Chief Coralcola, a close friend of your uncle's.

Listen! Try not too be upset...
Your uncle, Dr. Jones...has been...abducted!!

Mike, you are the best hope of rescuing Dr. Jones.

I'm the Shaman of Coralcola, and the Chief's sister. Many wild monsters are said to be lying in wait in the dark below.

But remember! The magic of the Southern Cross is always on your side.

Look for the Southern Cross in the sky above to help you find your way. Good luck!

So you need the help of special weapons or magic items, which are hidden in the underground. You'll need to find these hidden items in the Battle Stage.

Your collected weapons and items are displayed with each icon, followed by a number indicating how many shots are left.

The Southern Cross is one of the most beautiful of the constellations in the southern sky. Island sailors use the Southern Cross as a guide for navigating the often dangerous island waters. In addition to its use in navigation, the island mystics talk of the strange power that the southern cross is said to give to those who look to it in time of crisis.

Dear Mike,

I am sorry I did not write you sooner, but I just returned from a long voyage in the islands in search of lost ruins and artifacts. I was very pleased to find your letter upon my return. Boy, time sure is flying by! Last time I saw you, you were just starting school... and now, 15 years old, an honor student, and captain of your high school baseball team!

I think it's a great idea that you visit me during your vacation. I'm sure that you'll enjoy the tropical islands, the blue water, and the friendly people you'll find living under the Southern Cross. You can even take a cruise in my super submarine, Sub-C.

I have enclosed some pictures and a map of C-Island for you. Hope to see you soon, and give my regards to your family.

Sincerely,

Uncle Steve
