THE STORY

Yo! Listen up Renegade! Mr. Big is back in town, and this time the dude wants revenge! Hey, didn't you know? Mr. Big kidnapped your brother Matt. The word on the street is that Matt is being held in Big's Pig Pen, located on the upper side of town. Oh yeah, I almost forgot - all the gangs in every part of the city are out looking for you. There's nowhere to run, and no place to hide! Get going Renegade, your brother is running out of time!

HOW TO PLAY

TARGET: RENEGADE consists of seven levels. Each level has four scenes. A scene is completed when the player defeats all the gang members in that scene. A level is completed when the gang leader is defeated.

A player starts the game at full strength. This strength decreases if the gang members hit you or knock you down. Some gang members are more lethal than others. The game ends if the STATUS indicator reaches zero. You can partially restore your strength by collecting hearts. Completing a level also restores your strength.

GAME LEVELS

THE BAD SIDE OF TOWN
Check out the gangs and the turf you’ll have to cross!

LEVELS ONE/TWO/THREE: THE PARKING GARAGE

Renegade begins his race against time by rumbling with the Sleazy Riders. Keep an eye out for Achilles! There’s no time for a friendly talk; get to the elevators and make your way down to the main entrance, where the Bat Boys and the South Side Stranglers will welcome you with open arms! Of course, you’ll have to say “hi” to Big Bob!

GAME LEVELS (continued)

“THE FIGHT FOR RIGHT RAGES ACROSS THE CITY!”

LEVEL FOUR: DOWNTOWN

This side of town is really sleazy, and it’s home to two more gangs. The Dagger Dudes put on a really good knife throwing show. Go a little further down the block and you’ll meet the Bruise Brigade. Two is company, and three is dangerous! If you make it this far, Siggy will want to personally congratulate you.
LEVEL FIVE:  THE PARK

This is no place to hold a picnic, unless you invite the Skate Lords! These skateboarding maniacs will give you a "run down" feeling. Over by the snack bar are the Hammer Heads. Their specialty is waste disposal! Siggy shows up again when you least expect it.

LEVEL SIX:  UPTOWN

You're getting closer to Mr. Big's Pig Pen. Watch out for the Karate Clan! They can make coleslaw out of anyone! Be sure to show the Bouncers some identification when you get to the Pig Pen!
LEVEL SEVEN: THE PIG PEN

This is It! The final showdown between Renegade and his arch enemy. Will our hero take back the streets and rescue his brother? Will Mr. Big win the day and rule the city? What's it going to be, Renegade? The final outcome is in your hands.

More Bouncers greet you at the front door. The Bruise Brigade is waiting by the pool tables. Mr. Big knows you're here. He's full of surprises!

CONTINUE OPTION

This option is available after the player starts Level Two. A player can continue once per game. When the Continue Screen appears, press the "A" button to continue game play before the timer reaches zero.
