

**ATARI DARES YOU
TO SOLVE THE \$150,000
SWORDQUEST CHALLENGE!**

Win Jewel Encrusted Prizes and an Expense-Paid Trip to the Kingdom of Atari. Receive an Atari Certificate of Merit for your individual playing skill.

Once again, Atari has created a first for video game players. The \$150,000 SWORDQUEST CHALLENGE... a series of four fun contests to reward your playing skill. Are you up to the challenge? You only have until March 15, 1983 to enter the EarthWorld contest, so start now. Here's how.

Four new, original adventure game programs comprise the Atari SWORDQUEST series... EarthWorld™, FireWorld™, WaterWorld™ and AirWorld™... scheduled for release at different times between Fall, 1982 and Fall, 1983. These game cartridge packages will contain a SWORDQUEST CHALLENGE Contest Leaflet like this one, which provides the rules and entry instructions for each different game's contest segment of this overall Atari "Challenge" event.

This particular leaflet provides you with an opportunity to participate in the EarthWorld Contest. Please read its rules carefully before you enter because only one entry is permitted per person in each SWORDQUEST CHALLENGE Contest segment.

In all, \$150,000 worth of prizes will be awarded... a Grand Prize of an original \$25,000 jewel encrusted creation to the ultimate winner in each of the 4 separate contest segments (see drawings), plus a special \$50,000 Sword prize to the National Champion in a Grand Finale Contest. Further, every valid entry that provides one (or more) correct answer(s) will be acknowledged with a suitable-for-framing ATARI SWORDQUEST CHALLENGE CERTIFICATE which rates your skill level as a player in our new game series.

**Enter soon... see how you
"rate" with Atari today!**
