Description

Item Specifics - Video Game Systems

Platform: **Nintendo NES**

Format: **NTSC (US, Canada)**

Bundled Items: --

Condition: **Used**

ONE-OF-A-KIND!! That's right ... see for yourself. This system is serial number N11276403. It's the only one with that number!

I estimate that approximately 20 pairs of eyes have ever graced this system. This would include the original owner, parents, and friends. Also included would be my own eyes, not my parents, and yes I have no friends as I am too busy playing Nintendo.

Yes, this is a project system.

No, it's not like other project systems such as Ben's (last name omitted intentionally) homemade portable Nintendo handheld; nor is it like Brian's (last name omitted intentionally) Devtendo develop station.

So, the project is putting it back together and seeing if it works. This is one of the many Nintendo systems I had laying around in general phases of testing. This one has just been finished being cleaned and is ready for reassembly and testing. Everything seen **below is included** with the exception of the screwdriver, the pile of screws (read below), and the semi-dirty carpet.

If needed, assembly instructions are \$10 extra and will be in the form of a link to another website.

Shipping will be charged as follows.

\$5 flat fee plus 50 cents for each screw you would like included for assembly. There are 23 screws needed for complete assembly, but I have often gotten by with many less. How many less is up to you.

Every piece will be individually wrapped in bubble-wrap including each individual screw purchased. It will then be stuffed into an OVERSIZED box FILLED with annoying packing peanuts.

Magnetic screwdriver bonus

If bidding clears \$20 the screwdriver below will be included for free!! If wanted otherwise, it is \$5 extra.

Other information

This system does power up. It is very clean and has produced a picture for me once in the past week. Since I am not taking part in assembly, system is sold as is with no returns .

Paypal payment is required from winning bidder within 7 days of auction ending.

I reserve the right to cancel any bids and to close the auction early if needed.

Finally, do not bother looking at my other auctions as I do not have any.

Any questions can be directed to my non-existent [About Me](#) page.

Q: Whats so special about it being a project system? jes wanted to know...

answered on: Jan-14-05

A: You mean to tell me that you've never wondered what something looked like on the inside and how it was put together??
