### Description

## 2,048 Atari Outlaw carts + real live OUTLAW!

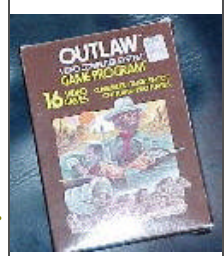

Listen up all you a rootin tootin outlaw-luvin gamers cuz this here's one offer you cannot pass up! I'm a guessin some of you old-timer gunslingers sure as a rattlesnake in yer front pocket remember way back in the white n/ black days when them there Atari Outlaw game was on every

console owner's most wanted list. Why you probably wanted that game more than yer trusty steed, I'm a bettin! Yup.

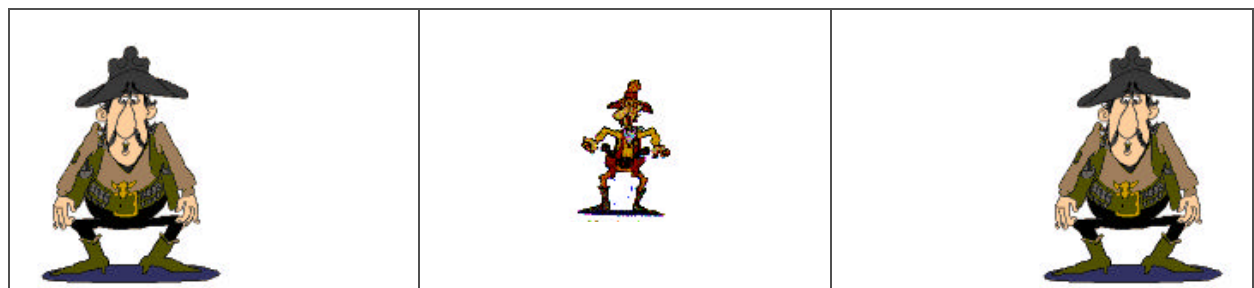

Well, that's just what I'm a puttin up for sale on this here Ebay. Yessiree! It's the game you most likely sold in order to pay fer that new set of teeth the local blacksmith make for ya. Holy smokes, just check out the price on that there sucker.....

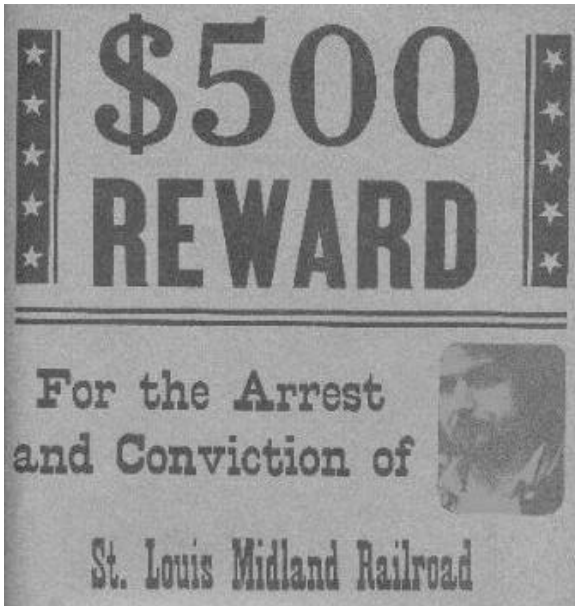

\$19.95! Yup - that was a roadside bandit deal if there ever was. But as the barkeeper at the local saloon always sez, more than 1 is always better than just 1, unless we're talkin bout bullet holes in yer hat! Har! Har! Har!

That is why yer not just a gettin 1 copy of Outlaw with my auction- yer gettin 2,048 copies! You'll have so many of these varmits, you'll never get rid of them all! It'll be better than panning fer nuggets with a spoon!

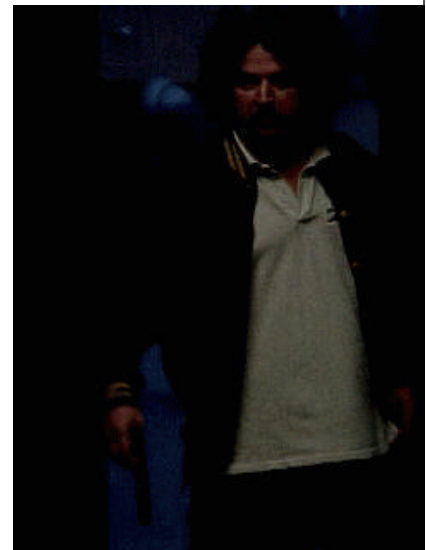

*"Shoot em full of holes,  
drill em full of lead  
there'll still be some left  
to bury with you when yer dead!"*

Now, this a here's where the gettin really gets good. Before y'all hitch up the wagon of gaming loot and head out west, I'm a gunna sweeten the pot. Hows ya'd like.....

Just lookit that mug. This here ain't just any ole common outlaw. This here outlaw can out-drink and out-gun any of you would be gunslingers. He's out-run the law for years (not to mention his ex-wife and most of his kids). Why, he'd sooner spit in yer eye and pistol-whip yer hide than sing you a song, but worse then any of that is the plain ole fact that he hasn't bathed in YEARS! Just so's ya know, we're talkin bout one ornery & foul gunslinger yer gonna be ridin up the trail with! You can take my dang word for it- this here outlaw is one man you don't wanna be runnin into down some dark mountain pass. Hoo-nelly no!

So pard'ner, if you think ya got the stomach to win this here auction o mine, we'll meet up out front of the Tin Ear Trading Post at high noon tomorrow. An don't fergit to bring plenty gold, ya long-eared galoot!
