### Description

# Fast Women like Men with FAST CARS!!!

That's right, fellas! If you've been down and out, if you find yourself alone at night growing pale from the faint glow of watching boring sitcoms on your tv, if you've been craving the attention from an actual female, then this video game may just be the answers to all of your social problems!!!!

[Gran Turismo 2 for Playstation](#)

Let's face it, if you're looking at this auction, then you are in need of some good old fashion lovin'. Too many nights have passed you by sitting at home all alone in your mother's basement. Ordinary video games like GTA: Vice City just aren't doing it for you when it comes to getting to know the females (wink, wink!) - too violent and soooo cliché. That's why I just had to let you know about this amazing little gem of a deal!

It wasn't long ago that I met a guy just like you. Oh sure, he had been quiet and kind of a loner for a long time and I pretty much just ignored the loser. But then something happened. One day I could hear the sounds of the engines revving up over at his house and I just had to see what was going on! When I first caught a glimpse of that super up Volkswagen he was driving, I could barely contain myself! Now **THAT** was a man!!! Before I knew it, I was over at his house every night and going along for the ride!!! I learned the secrets of GT2 and now I want to share those secrets with you!!!

Gran Turismo 2 is the key to the car that will drive you down popularity lane! Never mind that it is a few years old, the classics never die! Just wait until you see the twinkle in your new found lady's eye as you show her your fancy new Jaguar and say "Hey, baby, how would you like to see my stick shift in action?" With one on one racing, she'll be putty in your sweaty little hands!

Some of the benefits you may find from playing GT2 are:

- Increased self esteem
- Increased stamina and staying power
- Increased subjective enjoyment and sensitivity
- Improved control
- Increased change in your wallet from saving money by not actually buying a *real* car
- Decreased tauntings from the 15 year old neighbor who used to get more dates in a week than you have in the past three years

SO HURRY UP AND GET A FOOT IN THE DOOR ON THIS GREAT DEAL!!!

With this copy of Gran Turismo 2 you get: both games discs with very minor scratches, both booklets, a killer soundtrack from star-studded bands, a new sense of self worth, and most importantly **Vibration Function Compatibility!!!**

Hurry and bid now before it's all gone! I'll be waiting to see you bid!!! XXXOOO

\*\*Winning bidder pays a total of \$5.00 US for Shipping and Handling. This auction is for bidders in the United States only, please. This item has not been tested lately but should work just fine, so winning bidder buys **AS IS!** (We upgraded to a newer version of GT for the PS2, vroom vroom!!) Seller is not responsible for any failed attempts at a relationship of any kind as a result of buying this game. Seller thinks that if you really think this game will improve your social life, then you really might need to get out more. Candle, candle holder, red silk backdrop, silky nighty, female, and foot are not included\*\*
