Description

THIS AUCTION IS FOR MY ENTIRE VIDEO GAME COLLECTION!!!

It's a long story as to why i have to part with such an integral peice of my soul.

I was driving to work one day, just minding my own buisness when a cop pulled me over. I am a law abidding citizen who has never done anything wrong. When he produced the search warrent I was in utter shock.

And then he started to dismantle my car on site. I was horrific! And then when he pulled out that bag of.....well thats not important. What is important is need to "repay my debt" and do it fast.

I've got 1249.52 cents, but i'm still slightly short of the needed 10,000 dollars!!

SO my precious collection has to go. I would hate to part with it, but as you can see, not getting it porked for 3-5 is of more importance here.

All pictured are for sale.

An ORIGINAL GAME-BOY- YOU should be saying to your self "wow". There are very few of these left and this chance to own one is once-in-a-life time!!!!!! Even if it is broken.

1 NES controller- Hey with this badboy of video gaming your half way there for a 2 player game!!!!

2!!!!!! NES games- Probably my most prized possessions. A copy of Pro Wrestling, the best NES title of all time. AND you

get Super Mario Brothers/Duck Hunt!!! YOU'll be paying for two games and get three, how can you argue with that deal?????

A SEALED!!!!!!! Pride Fighter Demo Disk- Sealed.....wow, you should be so lucky to have even a peice of this AMAZING game.

Kirby BK toy- This game rocks. You turn the little knob thing on the side and try to get the balls in Kirby's mouth. And who wouldn't want to put balls in Kirby's cute little vaccum mouth.

A Smugglers Run 2 T-shirt- This shirt was given to me by a girl at the game store if i would never come in there again. I take it as a sign of her undying love, I so cool it must hurt her to look upon me. This shirt has deep sentimentle value, but my anal virginity does too, so this has got to go.

One E-Reader Air Hockey Card- This is the best peice of all. It is super rare. Nintendo only made like.....9 of these. Don't ask how I got one, all you need to know is that you need one. If you don't have one your life will never be complete. But it NOW!!!!!!

Well thats it. You may wonder how i can afford to sell all this for such a low price, but hey, I'm needy. Winner pays 40 dollars shipping. NO EXCEPTIONS!!!!!!

Happy Bidding, please do let me go to jail.....
