### Description

**THERE IS NO RESERVE ON THIS AUCTION!**

**You are bidding on an insanely rare item, a prototype Metroid Prime standee, devised by Nintendo for possible use in Playboy magazine!**

#### History

When Nintendo marketing was designing the Metroid Prime ad campaign, one of the ideas was to make the series appeal to more adult gamers. In one of the meetings I had a chance to sit in on, one of marketing women had an idea to market Samus Aran in a bra and panties, and she stood up, ripped her clothes off, and put her bra and panties on this Metroid Prime Standee! The execs at NOA loved the idea, but it was shot down by Nintendo of Japan as being too risqué for the American gaming public. This idea was shot down just as Playboy magazine was agreeing to run the ads too...so this almost made it to press! Fortunately, I managed to sneak the entire standee out of the meeting, panties and all, and am now making it available to you, the public!

### **Information**

This is an official Nintendo Metroid Prime Standee with Gamecube panties!! Don't aske me where the marketing girl got Gamecube panties, cause I have no clue! Suffice it to say that this is a one of a kind item, and you will never see another one again!

### **Verification**

Nintendo will deny that this standee exists, claiming that no such incident ever happened, but I was there, and it did, and here's the standee to prove it! The panties and bra have been cleaned to eBay standards for this auction, due to the rules of eBay.
