Description

This is a repair manual designed by me and it teaches you the basics of repairing your old front loading NES for your enjoyment. These style of Nintendos have a tendency to break frequently and cause alot of stress getting them to work correctly. This pamphlet includes the do's and the don'ts to getting your games to load properly, how to take apart your system and repair the main connection internally, how to hook your NES up to your modern TV with the best quality picture, resorts to hastling with your old nintendo, and where to obtain specific items used when repairing your NES and cleaning it.

This is for the item described only, it does not include an original NES, a top loader, the tools required, the repair parts you may be required to obtain, or any games such as super dodge ball,bombberman 2, LOLO 3, TMNT Tournament Fighters, Bubble Bobble Part II, Hot Slots, Peek-a-boo Poker, and Bubble Bath Babes. again those games are NOT included with this auction. also does not include anything in the picture, simply shown for representation of system that is to be fixed through this pamphlet.
